|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------|
| <b>1. Most important socio-economic indicators</b>                                                                                                                                                        | <b>4</b>  |
| <b>2. Main indicators of agriculture development</b>                                                                                                                                                      |           |
| 2.1. Main indicators of agriculture development for 2021 – 2025. . . . .                                                                                                                                  | 7         |
| 2.2. Selected indicators of SDG 2 “End hunger, achieve food security and improved nutrition and promote sustainable agriculture” of the national List of Sustainable Development Goal Indicators. . . . . | 9         |
| <b>3. Main indicators of agriculture</b>                                                                                                                                                                  |           |
| 3.1. Agricultural production by type of farm. . . . .                                                                                                                                                     | 10        |
| 3.2. Agricultural production in farms of all types in 2025 by region. . . . .                                                                                                                             | 10        |
| 3.3. Indices of agricultural production. . . . .                                                                                                                                                          | 11        |
| 3.4. Structure of agricultural production by type in farms of all types. . . . .                                                                                                                          | 12        |
| 3.5. Agricultural production per capita. . . . .                                                                                                                                                          | 12        |
| <b>4. Physical resources of agriculture</b>                                                                                                                                                               |           |
| 4.1. Number of basic agricultural machinery and equipment in agricultural organisations. . . . .                                                                                                          | 13        |
| 4.2. Availability of tractors and combine harvesters in agricultural organisations. . . . .                                                                                                               | 13        |
| 4.3. Application of mineral fertilizers in agricultural organisations. . . . .                                                                                                                            | 14        |
| 4.4. Application of mineral fertilizers by type under agricultural crops, perennial plantations, hayfields and pastures, in soil under cover in agricultural organisations. . . . .                       | 14        |
| 4.5. Application of organic fertilizers in agricultural organisations. . . . .                                                                                                                            | 15        |
| 4.6. Application of mineral and organic fertilizers per hectare of arable land in agricultural organisations. . . . .                                                                                     | 15        |
| 4.7. Liming of soils in agricultural organisations. . . . .                                                                                                                                               | 16        |
| 4.8. Commissioning of production facilities. . . . .                                                                                                                                                      | 16        |
| <b>5. Crop growing</b>                                                                                                                                                                                    |           |
| 5.1. Main indicators of production of selected types of crop products in the Republic of Belarus in 2025 . . . . .                                                                                        | 17        |
| 5.2. Distribution of agricultural land by type. . . . .                                                                                                                                                   | 18        |
| 5.3. Reclaimed land. . . . .                                                                                                                                                                              | 19        |
| 5.4. Sown area under agricultural crops by crop and type of farm. . . . .                                                                                                                                 | 20        |
| 5.5. Area under fruit and berry plantations by type of farm. . . . .                                                                                                                                      | 21        |
| 5.6. Gross harvest of agricultural crops by crop and type of farm. . . . .                                                                                                                                | 22        |
| 5.7. Yield capacity of agricultural crops by type of farm. . . . .                                                                                                                                        | 23        |
| 5.8. Gross harvest and yield capacity of basic agricultural crops in agricultural organisations in 2025 by region . . . . .                                                                               | 24        |
| 5.9. Gross harvest of fruits and berries by type of farm. . . . .                                                                                                                                         | 25        |
| 5.10. Yield capacity of fruits and berries by type of farm. . . . .                                                                                                                                       | 26        |
| <b>6. Animal husbandry</b>                                                                                                                                                                                |           |
| 6.1. Main indicators of production of selected types of animal products in the Republic of Belarus. . . . .                                                                                               | 27        |
| 6.2. Livestock and poultry population by type of farm. . . . .                                                                                                                                            | 28        |
| 6.3. Production of milk, eggs, wool by type of farm. . . . .                                                                                                                                              | 29        |
| 6.4. Production and sales of milk in agricultural organisations in 2025 by region. . . . .                                                                                                                | 30        |
| 6.5. Production of eggs and wool in agricultural organisations in 2025 by region. . . . .                                                                                                                 | 30        |
| 6.6. Sales of livestock and poultry for slaughter by type of farm. . . . .                                                                                                                                | 31        |
| 6.7. Sales of livestock and poultry for slaughter (in live weight) in agricultural organisations in 2025 by region. . . . .                                                                               | 32        |
| <b>Brief methodological notes</b>                                                                                                                                                                         | <b>33</b> |
