Sectoral structure of the number of organisations and the number of individual entrepreneurs

The leaflet presents data on the key economic indicators of small and medium-sized business in the Republic of Belarus for 2021.

Small business entities (*micro- and small organisations and individual entrepreneurs*) and medium business entities (*medium organisations*) are defined in accordance with the Law of the Republic of Belarus of July 1, 2010 "On the support to small and medium-sized business".

More detailed statistics on the activities of the small and medium business entities and methodological explanations for statistical indicators are available in the **Information and analytical system of dissemination of official statistical information** (www.dataportal.belstat.gov.by).

Trend:

- ↑ increase over 2020
- ↓ decrease over 2020
- unchanged over 2020
