### Sectoral structure of the number of organisations and the number of individual entrepreneurs

The leaflet presents data on the key economic indicators of small and medium-sized business in the Republic of Belarus for 2020.

Small business entities (*micro- and small organisations and individual entrepreneurs*) and medium business entities (*medium organisations*) are defined in accordance with the Law of the Republic of Belarus of July 1, 2010 "On the support to small and medium-sized business".

More detailed statistics on the activities of the small and medium business entities and methodological explanations for statistical indicators are available in the **Information and analytical system of dissemination of official statistical information** ([www.dataportal.belstat.gov.by](http://www.dataportal.belstat.gov.by)).

#### Trend:

- ↑ increase over 2019
- ↓ decrease over 2019
- unchanged over 2019

#### Infographics:

- data on micro, small and medium organisations
- data on individual entrepreneurs
- data on micro, small and medium organisations and individual entrepreneurs
- share of small and medium business entities, % of regional (Minsk City) level
